

Dear Nobles:

Greetings from Aleppo Temple!

Your Illustrious Potentate, Clarence G. Young, has organized another outstanding tour for this Fall and extends an invitation to all the Nobles and their wives to join him on the French Riviera.

We have had so many highly complimentary letters from so many of our Nobles and their wives on how much they enjoyed the wonderful Vacations in Paris, Jamaica, Copenhagen and San Juan, that we are continuing our format of providing you with a short vacation at a low price to a point of great interest.

As usual, our complete itinerary is strictly first class, consisting of 1st class jet air transportation, 1st class hotel with private bath and all the features of an outstanding vacation.

We have programmed two tours, as on our past tours so many of the Nobles and their wives were disappointed at not being able to attend because reservations were sold out, that this Fall season we are endeavoring to accommodate everybody desirous of going. Therefore, you will have the choice of going either at the end of August or the beginning of September. Needless to say, both tours are exactly the same — the only difference being the dates on which they are operated.

We have endeavored to eliminate any problems whereby any of our members might not be able to attend the tour due to business or religious holiday conflicts. Therefore, we are offering the exact same tour program, but on two separate weeks.

I am sure you will all be looking forward to participating in this program, as there is no area more interesting and more relaxing than the French Riviera and, as our Itinerary states, we have included a side trip to the Italian Riviera.

We suggest that you forward your deposit with the attached coupon at once. If there is any further information or any service that we can render, please do not hesitate to call us.

Sincerely yours,

Harvey B. Lipp

Recorder
